Document: EBSA-2010-0050-DRAFT-2057

Comment on FR Doc # 2015-14921

Submitter Information

Name: Peter Stawn

General Comment

This is just a further attempt to destroy the free market with your failed Keynesian economic policies.

I have a simple suggestion why not try enforcing the current laws and regulations before further destroying what little is left with more of your failed socialist confiscatory regulatory schemes since the last decade has been such a resounding financial success for so many Americans thanks to them!
